Hello Scott,

I hope you had a lovely Thanksgiving! I wanted to bring this back to the top of your inbox. Would this event be alright for me to participate in?

Warmly,

Good Morning Scott,

Kyle Bonnel, the Job Bank Manager at The Heritage Foundation, asked me if I could speak to a group of freshmen and sophomores about working in the administration. I've already checked with Comms, but I know I need to check with Ethics too.

Would this be ok for me to do, given that I used to work at The Heritage Foundation? Please let me know if you have any questions!

Warmly,
Elinor

I am fine with it Elinor. Thanks for checking in. You are correct.... please check in with ethics for final approval.

Thanks again,

Good Evening Gentlemen,

Kyle Bonnell at The Heritage Foundation asked if I could speak to a group of 20 college students about what it's like to work in the Administration as part of a panel for freshmen and sophmores. It's part of a larger program they're running, so it isn't open to the public.

I've filled out the speaking engagement form. Is there any other information you need from me? I assume that if this is ok with Comms I'd still need to get it approved by Ethics, correct?

Any guidance you could give me would be so appreciated.

Warmly,
Elinor
